- 5) Dr. Chatchawal Simaskul, Ministry of Transport, Thailand
- 6) Dr. Adbul Qadeer MEMON, University College, United Kingdom.

3. Purpose and Mission of IRG

Sustainable Transport in Asia cities is the problem of not only policy makers, the authorities, but also the social problem of community. One of the best ways to pursue development goals is through economics instruments that have been mainly implemented in developed cities. It is crucial for policy-makers in Asia developing cities to have a grasp of international experience with economic instruments and understand their potential contribution to sustainable development in Asia cities.

4. Achievements of IRG in 2009-2010

Activities of IRG terminated some years ago. We are sorry that we didn't inform it.

Will you continue your IRG's activity after August 2010?

[NO]

5. Future research plan and including time frame with the following items:

- Possibility to hold seminar and symposium (Date & Venue)
(Notice: the number of submitted papers to 2011 EASTS conference is one of the criteria for holding special session of IRG.)
- Special considerations to young researchers

We have no idea for these items.
