

Condolence Message from EASTS

April 9th, 2020

It is a sadness to hear that Dr. Primitivo C. Cal passed away. We express our deepest condolences to his family members for the loss of Dr. Cal. The members of EASTS remember that Dr. Cal had greatly contributed to the establishment and development of EASTS as one of the founders from the very beginning.

Especially, during his tenure as President, 1997 to 2003, EASTS grew significantly due to his peerless leadership. I believe that expanding EASTS's activities in the future will be a gift to Dr. CAL.

With our deepest sympathies,

Jaehak OH

President of EASTS

Opening Remarks at EASTS 2001 Conference, HANOI
